STAGE's activities include providing funding for the theatre program as needed for supplies and services not covered by the District as well as scholarships to students whose families are unable to pay for competition travel expenses and other items needed to participate fully in the theatre program.

STAGE's goals are to promote and foster clear, concise, and timely communications between the Theatre Director, the Board of Directors and parents/guardians of all theatre students.

In years past, donations of time and money have provided:

- chaperones to all school-sponsored and off-campus competitions and performances
- scholarships for student production packs
- volunteers for ticket and concession sales
- assistance organizing and chaperoning at cast parties
- scholarship money for travel to International Thespian Festival

YOUR DONATION COUNTS!

Your donations to STAGE help provide SCHOLARSHIPS for students to ensure that all students can equitably participate in Tiger Drama events, festivals, and activities. Use this QR Code to make a tax-deductible electronic contribution to our students.

DIRECTOR'S NOTES

Big Fish is a touching story of reconciliation, imagination, community, and family that explores the highs and lows of all of these facets of life. The story was first a book by Daniel Wallace and then a movie in 2003 directed by Tim Burton. It finally hit the Broadway stage in 2013 with a book by John August, music and lyrics by Andrew Lippa, and direction and choreography by Susan Stroman.

Big Fish reminds us that we all have those people in our lives who are the storytellers, those whose charisma and magnetism draw people in and who spin tall tales and legends that make up the memories and traditions in our lives. Edward's world is one of adventure and wonder, and *Big Fish* brings that to the stage with the highest level of theatricality. We hope that as you get pulled into Edward's world that you will take his words to heart and "be the hero of your story while you can," and that just like Will, you can find some answers that you may be seeking along the way.

We are tremendously proud of the work of our students and production team. As an audience member you get to experience the accomplishments of not only our student actors but also student costume designers, set designers, lighting designers, sound designers, projection designers, prop designers, stage managers and technical directors; all being trained to work as professionals in their fields. Theatre productions are where all that rigorous training students receive in classes is put into practice.

We have chosen our season carefully, not only for the educational possibilities for our students but with the intention of providing stimulating, inspirational, and joyful experiences for our audiences. There is simply nothing like live theatre! If this is the first time you have attended one of our productions, we hope it will become a habit and that you will look forward to the next theatrical treat. If you're a regular patron, we thank you sincerely for your support in joining us and helping kick off our 2023-2024 BE THE HERO season!
