DIRECTOR'S NOTES

This production process has been a wild ride from beginning to end. It has been wonderful to work with a Tiger Drama alum, Emma Hendricks, and our current student teacher, Kendall Barnes. I could not have tackled the complex details of this show without them. Watching the cast come up with creative solutions to the challenges this script presents has been inspiring and unique to any play I've directed.

One of the best parts of directing is watching how all the elements come together, when everyone involved adds their own something special. Our crew members have worked hard adding all the last-minute details that bring the whole story to life. And now, the process is complete as we add your energy and laughter to the theater. A story can't be told without an audience, and we appreciate you being here!

If this is the first time you have attended a Tiger Drama production, we hope it will become a habit and that you will look forward to future LC performing arts events including our visual art shows, band, choir, and orchestra concerts. If you're a regular patron, we thank you sincerely for your support in joining us for our 2024-2025 MAGIC, MYSTERY, and MAYHEM season! We hope to see you as we close out the year with *The Drowsy Chaperone*, and our *Closing Night Showcase*.

Thank you for joining us for this madcap mystery!
