SEIZE THE DAY

2018-2019 Season

Welcome to another exciting season for Tiger Drama. We are again undertaking an ambitious season including production styles not yet seen on the LC stage with our staged reading of *Of Mice and Men* and an adaptation of Shakespeare's *Hamlet*. Each show this season has an element of one or more characters taking a big step in life to make change in themselves and the world around them.

Thank you, as always for joining us and our parent group, STAGE, in Supporting Theatre Arts Growth and Education and us! Thank you for being part of our Tiger Drama Family.

- Suzanne Maguire & Greg Pschirrer

SHAPING LIVES THROUGH THEATRE EDUCATION

This message brought to you by

STAGE's activities include providing funding for the theatre program as needed for supplies and services not covered by the District as well as scholarships to students whose families are unable to pay for competition travel expenses and such other items needed to participate fully in the theatre program. STAGE encourages all

theatre students in their theatrical endeavors by supplying chaperones to all school-sponsored, off-campus competitions and performances. STAGE's goals are to promote and foster clear, concise and timely communications between the Theatre Director, the Board of Directors and parents/guardians of all theatre students.

In years past, donations of time and money have provided:

- assistance paying for charter busses for State and 5th Avenue
- scholarships for student production packs
- volunteers for ticket and concession sales
- assistance at cast parties organizing and chaperoning
- scholarship money for travel to National Thespian Festival
- design, materials and labor for our lobby displays

DIRECTOR'S NOTES

Welcome to our 8th annual OPENING NIGHT showcase & STAGE fundraiser! Seven years ago, we set out to add even more opportunities to Tiger Drama. Recognizing the lasting value for students to participate in extra-curricular activities like theatre and providing a place where they can explore were just two of the many reasons for the concept of OPENING NIGHT. Students, on their own, choose and prepare their pieces for our auditions. At that point, we meet as a production team to determine order, theme and sometimes adjust the pieces that are auditioned. Rehearsals take place for two short weeks where students learn to work as an ensemble, learn the basics of participating in a production and experience a condensed version of a full production rehearsal process.

The format of our first OPENING NIGHT was a happy accident and it highlighted how the creativity, talent and imagination of so many individuals can come together to create a cohesive evening of storytelling in a way that features so many dedicated LC Tiger Drama students. Another “happy accident” was the inspiration for students to be researching and rehearsing all year long for what a good selection for them/their classmates might be. OPENING NIGHT provides a great vehicle for students to explore potential IE pieces as well as audition and class performance pieces. Thank you for joining us and helping us kick off our SEIZE THE DAY season!
