HIGH SCHOOL MUSICAL DIRECTOR'S NOTES

A production of HIGH SCHOOL MUSICAL has been on our "short list" for years. It always got bumped until last year when we realized it is time. It is time to dust off the cardboard cut out of Zac Efron that has lived in and around the theater for years and bring life to the iconic characters with our own Troy, Gabriella, Sharpay, friends, and crew. It was time to welcome new faces into our program which, this year, will graduate its largest senior class to date. It is time to celebrate the simplicity of a story about being true to yourself and working together to make big things happen. And, much to our surprise, it was time to cast the largest production in our Tiger Drama history!

Our Tiger Drama Mission is to provide our students and community opportunities for entertainment, enrichment, and education through exceptional theatre arts and the applicable life skills theatre develops. Tiger Drama establishes an environment where all members challenge themselves as individuals, collaborate with others to create their best work now, and connect with other artists in and outside Lewis & Clark High School to be lifelong supporters of the arts. HIGH SCHOOL MUSICAL has been a prime example of the mission and vision come to life.

These students have accomplished something exceptional with rotating casts in the same amount of time as a more traditional musical. We could not be prouder of them. Thank you for supporting Tiger Drama and the considerable hard work and dedication these students have! We are excited to share this production with our entire community.
