DIRECTOR'S NOTES

Oh, welcome dear friends, to our whimsical show,
Where thinkable things and bright dreams overflow!
From Jungle of Nool to the tiniest speck,
Our students have journeyed—what a marvelous
trek!

With Horton so loyal and JoJo so true,
They've worked and imagined and grown through and through.

With voices raised boldly and hearts open wide,
They've learned how to listen, to lead, and to guide.

Our stages were filled with both laughter and strain,
With "Oh, the thinks you can think!" echoing again.
Each step and each song, each costume and cue,
Was crafted with care by this talented crew.

To families and friends, and our community near,
Your support and your kindness mean more than we cheer.

For without you beside us, encouraging each day,
These stories of Seuss could not come to life this way.

So sit back, dear audience, let your worries all cease,
And enter a world full of joy, love, and peace.
For no matter how small, or how different we be,
A person's a person—that's plain as can be!

Greg Pschirrer – Director

501C3 BOOSTER GROUP

STAGE's activities include providing funding for the theatre program as needed for supplies and services not covered by the District as well as scholarships to students whose families are unable to pay for competition travel expenses and other items needed to participate fully in the theatre program.
